PROFILE

MCA student at Pimpri Chinchwad University with hands-on experience in machine learning, data analysis, and software development. Proficient in Python, SQL, and data analysis tools, with a strong foundation in building applications and working on real-world data problems. Completed virtual internships in AI/ML and data engineering, gaining practical exposure to model training, data preprocessing, and analysis tasks. A quick learner with strong problem-solving skills, I excel in collaborative environments and effectively manage multiple priorities with a positive, goal-oriented attitude.

EDUCATIONAL HISTORY

Master of Computer Application.
